Attn: E. Shirene Willis

**SECOND PETITION TO ACCORD THE PROPER FILING DATE IN RESPONSE
TO DECISION DISMISSING THE FIRST PETITION FOR SAME**

Sir:

As set forth in 37 CFR § 1.10(c) and MPEP § 506.02, Applicant hereby petitions to grant the proper filing date of June 26, 2003 rather than June 27, 2003 for the above-identified patent application as this was the date the application was deposited as "Express Mail" in the U.S. Postal Service. A First Petition to Accord the proper filing date was previously submitted and a Decision Dismissing the First Petition was mailed January 20, 2004, indicating that the Office of Petitions did not have the evidentiary documents in support of the First Petition, although Applicants had submitted the First Petition with same (see attached copy of USPTO stamped post card dated 10/14/03 acknowledging receipt of these documents). Copies of the First Petition and Dismissal are enclosed for ease of reference. Thus, this Second Petition is submitted with the following evidentiary documents enclosed as evidence of June 26, 2003 being the correct filing date for the application which was properly filed under 37 C.F.R. § 1.10:

1. A true and accurate copy of the Cover Sheet for the Application showing the Express Mail signature and date on Page 2;
2. A true and accurate copy of the Express Mail Pickup Service Statement dated June 26, 2003;
3. A true and accurate copy of the Track & Confirm from the United States Postal Service website (www.usps.com) indicating receipt of the Express Mail package

at the Post Office on June 26, 2003 and delivery of the package at the USPTO on June 27, 2003;

4. A true and accurate copy of our return post card and of the official filing receipt for this application, sent by the United States Patent and Trademark Office, showing that Applicant was improperly given the filing date of June 27, 2003 instead of the Express Mail date of June 26, 2003; and

5. A true and accurate copy of our return post card showing that Applicant submitted the above documents as proof of filing date of June 27, 2003 and of the Decision dismissing Petition sent by the United States Patent and Trademark Office.

The First Petition was filed promptly after Applicant became aware of the improperly accorded filing date and this Second Petition is filed promptly after receipt of the Dismissal of the First Petition. Accordingly, Applicant respectfully requests the granting of June 26, 2003 as the filing date pursuant to 37 CFR § 1.10.

On the basis that Applicant properly followed the requirements of 37 CFR § 1.10 and the USPTO failed to accord the proper filing date under MPEP § 505 and thus the need to file this petition is due to error on the part of the USPTO, it is applicant's belief that no fee is due with this petition. However, the Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 50-0220.

: DECISION DISMISSING

:

This is a decision on the petition under 37 CFR 1.10(c), filed October 16, 2003 (certificate of mailing date October 14, 2003), requesting that the above-identified application be accorded a filing date of June 26, 2003, rather than the presently accorded filing date of June 27, 2003.

Petitioners request the earlier filing date on the basis that the application was purportedly deposited in Express Mail service on June 26, 2003, pursuant to the requirements of 37 CFR 1.10.

Unfortunately, the evidence to prove the June 26, 2003 filing is missing from the petition. Only the two page petition is present in the application file. The undersigned cannot properly render a decision until (at least) the copy of the Express Mail Pickup Service statement and the Track and Confirm statement, both referenced in the petition, are re-submitted.

Accordingly, the petition is dismissed and the filing date remains July 27, 2003. No petition fee has been or will be charged in connection with this matter.

PETITION TO ACCORD THE PROPER FILING DATE

Sir:

As set forth in 37 CFR § 1.10(c) and MPEP § 506.02, Applicant hereby petitions to grant the proper filing date of June 26, 2003 rather than June 27, 2003 for the above-identified patent application as this was the date the application was deposited as "Express Mail" in the U.S. Postal Service. 4. A true and accurate copy of our return post card and of the official filing receipt for this application, sent by the United States Patent and Trademark Office, showing that Applicant was improperly given the filing date of June 27, 2003 instead of the Express Mail date of June 26, 2003;
